KOMAX SPARES' WARRANTY

Komax Spares warrants that the repair parts sold are free from defects in material and workmanship under normal use and service for a period of 3 months or 500 working hours, whichever occurs first, from the date of purchase.

Undercarriage parts sold by Komax Spares are covered against breakage and leakage from the date of purchase. Komax Spares will cover 100% of the parts necessary to repair those that break under normal use due to defective material or workmanship for a period of 12 months or 1800 hours, whichever comes first.

The warranty terms are based on the Komax Spares terms and conditions.
